**PETITION UNDER 37 C.F.R. § 1.47(a) FOR
FILING ON BEHALF OF A JOINT INVENTOR
WHO REFUSES TO SIGN**

Mail Stop Petition
Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicant respectfully petitions the Office to accept filing of the above-captioned application under 37 C.F.R. 1.47(a) and 35 USC 116, because one of the joint inventors, Jideki KISHI, does not sign the oath/declaration.

As required by MPEP § 409.03, Applicant is complying with the requirements of 37 CFR 1.47 concurrently with the submission of the required signed declaration.

The Declaration is executed by Miyuki Horikawa, patent attorney of Oba & Associates, who was authorized to sign the declaration by the Applicant, and has first hand knowledge of the following facts.

Jideki KISHI's last known address is Ushiku-Cho, Ushiku-sho, Ibaraki 300-1221, Japan.

Mr. KISHI was sent a copy of the required declaration to his last known address on two occasions via registered mail. Copies of the Post Office receipts are attached hereto.

Moreover, Applicant had called Mr. KISHI's last known employer, Device Nanotech Research Institute Inc., but was unsuccessful in reaching Mr. KISHI.

The above fact establishes that the join inventor Jideki KISHI has refused to join in the application.

Also enclosed herewith is a declaration listing all joint inventors, including the non-signing joint inventor, signed by all available joint inventors on their own behalf and on behalf of the non-signing joint inventor.

Applicant submits herewith the fee (\$130) set forth in § 1.17(i).

The Commissioner is hereby authorized to charge any deficiency in payment or credit any overpayment to Deposit Account No. 50-1314. A copy of this Transmittal is enclosed.

Dear Sir:

I, Miyuki HORIKAWA, declare:

1. I am the representative in Japan of the SCIVAX CORPORATION ("SCIVAX"), ASSIGNEE the of above-referenced application.
2. I diligently attempted without success to contact Hideki KISHI ("KISHI") by registered mail in three different occasions in regard to the filing and prosecution of the patent application. To that end, I sent separate copies of the application (specification, claims, drawings and declaration) and cover letters of instructions (Exhibit A) explaining the need for Mr. KISHI's participation in its preparation to him via registered mail to the addresses shown below on August 11, 2005, March 24, 2006 and June 26, 2006 .

Ushiku-Cho, Ushiku-shi,
Ibaraki 300-1221, Japan

3. The above address was provided to me by Mr. Tatsushi GOCHO, managing director of SCIVAX Corporation, as the last known residence addresses for Mr. KISHI. The letters to Mr. KISHI were NOT returned. True and correct copies of the receipts of the August 11, 2005, March 24, 2006 and June 26, 2006 mail to Mr. KISHI are attached as Exhibits "B", "C" and "D" hereto.
4. Moreover, I have called Mr. KISHI's last known employer, Device Nanotech Research Institute Inc., but was unsuccessful in reaching Mr. KISHI. The information of the last known employer was provided to me by Mr. Tatsushi GOCHO, SCIVAX Corporation.

5. In addition, I attempted without success to find Mr. KISHI's telephone number, by applying a service for searching a desired telephone number for a charge, provided by Nippon Telegraph and Telephone East Corporation.
6. Moreover, I attempted without success to obtain Mr. KISHI's recent information, by conducting a patent search using the database of JAPAN PATENT OFFICE.

I declare under penalty of perjury under the laws of the Untied States of America, that the foregoing is true and correct. I make the statement set forth above, of my own personal knowledge and, if called upon to do so, could testify competently thereto. I acknowledge that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. §1001) and may jeopardize the validity of the Application and any corresponding patent.

Executed at Tokyo, Japan, on July 6, 2006.
